The SOUTH DEVON RAILWAY with its link to Totnes can offer a very versatile day out for your Group. Whilst many Groups are happy just to make a round trip on the train, with the link to Totnes there are many possibilities for your day out. You can visit Totnes with its medieval Guildhall and Castle. At Buckfastleigh we share our site with the Buckfast Butterfly Farm and Dartmoor Otter Sanctuary, and are just a few minutes away from the famous Buckfast Abbey.

With this booking form we enclose a copy of our fares and the 2006 Timetable.

Most groups taking the return trip on the railway start at Buckfastleigh where we have free parking for coaches. The footpath from our Totnes Station is about 15 minutes gentle walk to the town.

If you have any queries on any information in the various enclosures please do not hesitate to phone the station at Buckfastleigh at any time of the day.

Richard Elliott (General Manager).
